Suggested cycle rides

- Suggested routes
- Alternative (shorter) routes
- Route in built-up area
- Route on cyclepath in built-up area

On good level surfaces, most people can cycle at about **10 mph, (6 mins per mile)**. With frequent stops, over rougher ground, or in a family group you should plan on **6–8 mph, (up to 10 mins per mile)**.

NB: The representation on these maps of any road, track or path is no evidence of the existence of a right of access.

Sensible cycling

- As a cyclist you are using a vehicle, like any other road user, and must obey road traffic laws at all times.
- Know the **Highway Code** sections for cyclists, including the road signs (see below). **Do not ride on pavements (footways)** unless they are signed for cycling.
- Make sure your bike is in good order before you set out, particularly the brakes and tyres. It's sensible to carry a simple tool kit and a puncture repair outfit or spare inner tube.
- **Be seen!** Wear bright or reflective clothing. If you're going to be cycling at night, or in poor light, ensure that both front (white) and rear (red) lights are working.
- Inexperienced cyclists should use off-road routes and quiet lanes to build confidence. On public roads other traffic will be present – **cycle confidently but with care!**
- On narrow roads ride in single file, and on other roads cycle no more than two abreast. Where possible, riding one metre from the kerb will improve your visibility to other traffic.
- On shared-use paths be considerate to walkers and horse-riders. Use your bell when appropriate and be ready to slow down or stop if necessary. Take care on loose surfaces and avoid skidding, which can damage the surface.
- Before moving off, turning or changing lanes always look behind you and signal clearly.
- On longer journeys carry food and drink, waterproof clothes and a basic first-aid kit.
- If you are carrying a child in a child-seat, always make sure that he or she is securely strapped in.
- It is advisable to wear a helmet.

Circular Tour

The route begins in Musselburgh at the Old Roman bridge car park next to the River Esk. Follow signs for the River Esk Path and continue on this trail along the riverbank all the way to Whitecraig.

At Whitecraig follow signs for cycle route NCN1. Turn off this route signposted NCN196 Pencaitland Railway Path and follow this route onto the A6124 and turn left onto the Pencaitland Railway Path. Follow this all the way past Ormiston and Pencaitland (toilets available in Ormiston Library and Pencaitland Winton Arms, local shop and pubs in both villages – no food served in Winton Arms Pencaitland).

A short diversion off the railway path lets you take in a visit to Glenkinchie Distillery, the only malt whisky distillery in the area. At the end of the railway path, follow the signs for NCN196 to Haddington via West and East Saltoun.

In Haddington, follow signs for NCN76 along West Road and turn up Alderston road signed Longniddry Railway Path. Follow the path all the way into Longniddry (shops and pub) and turn down Lyars Road to the coast. Follow NCN76 signs through Port Seton and Prestonpans into Musselburgh and back to your starting point.
